ADMISSIONS CRITERIA

Introduction

The Instrument of Government classifies Standens Barn Primary School as a **community school**. The Local Authority sets the admissions criteria for community schools.

School Details

Standens Barn is a primary school admitting children of 4 - 11 years from the surrounding area.

- The annual reception intake is 60 children
- The official capacity is 420 children.

Organisation of Classes

The school is organised into 14 classes that are grouped with mixed years as follows:

Reception	2 classes with a maximum of 60 children
Year 1	2 classes with a maximum of 60 children
Year 2	2 classes with a maximum of 60 children
Year 3	2 classes with a maximum of 60 children
Year 4	2 classes with a maximum of 60 children
Year 5	2 classes with a maximum of 60 children
Year 6	2 classes with a maximum of 60 children

Local Authority Admission Criteria - Community Primary Schools

Oversubscription admission criteria

Places will be allocated to pupils who have a statement of special educational needs that names the school as appropriate provision. When there are more applications for places than there are places available, priority will be given in the following order:

- Children in public care or previously in public care but immediately after being looked after became subject to an adoption, residence or special guardianship order.
- Pupils with an older brother or sister continuing at the school at the time of admission of the younger child.
- Pupils who live closer to the preferred school than any other school.
- Other pupils.

Tiebreaker

If the Published Admission Number (PAN) is exceeded within any criterion, priority will be given to those who live closest to the school.

PRIMARY SCHOOLS ADMISSION POLICIES - DEFINITIONS

When a school receives more applications than places available (Published Admission Number), the admission criteria are used to decide to whom the places are offered. In each case the criteria are applied in the order of priority stated

Definition of terms used

Unless otherwise specifically stated in the individual school's criteria, the definitions of some of the terms used in the criteria are as follows:

Children in Public Care

Children who are in the care of a local authority or provided with accommodation by a local authority.

Sibling

Pupils who will have an older brother or sister continuing at the school at the time of transfer of the younger child. The definition of a brother or sister (sometimes referred to as a "sibling") is:

- A brother or sister sharing the same parents;
- A half-brother or half-sister, where two children share one common parent;
- A step-brother or step-sister, where two children are related by a parent's marriage or partnership. The partners must have co-habited in a permanent exclusive relationship (as if they were husband and wife or civil partners) for a minimum of 2 years;
- Adopted children.
- A brother or sister must be living at the SAME address when the application is made.

- Remember, if you make a preference for an infant school, a sibling at the linked junior school also counts.

Home address

The home address of a pupil is considered to be the permanent residence of the child in a residential property when the place is offered. The address must be the child's only or main residence and is either:

- Owned by the child's parent, parents or guardian;
- Leased to or rented by the child's parent, parents or guardian under lease or written rental agreement of not less than six months duration
- Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned. Places cannot be allocated on the basis of intended future changes of address unless house moves have been confirmed through the exchange of contracts or the signing of a formal lease agreement. The county council reserves the right to seek further documentary evidence to support your claim to residence.
- You must notify the Admissions Team of any change of address during the admissions procedure.
- Please note that the county council is unable to allocate a place to anyone moving into the county from abroad or within the U.K prior to their arrival in the county. We would then require proof of residency as stated above. The only exceptions are children of UK Service personnel and other Crown Servants (including Diplomats).

"Any Other School"

This means any other state-funded primary school, including Infant, Junior and Lower Schools if they cover the age group in question, but excluding schools which allocate places solely on the basis of religious allegiance.

Joint Custody Arrangements

Where a child lives between two parents the qualifying address will be where the child sleeps the majority of the school week. If the child spends equal amounts of time at the two addresses parents must nominate which address they wish to be the child's main address. Documentary proof may be sought, such as a medical card. If a child is resident with any other relative it must be clearly stated on the preference form. It should be noted that an address used for childcare arrangements cannot be used as a home address for the purpose of applying for a school place. A fraudulent claim to an address may lead to the withdrawal of the offer of a place.

Distance tiebreaker

Unless otherwise stated, distances are measured from the centre of the property to the nearest access point to the school grounds. It is measured on a straight line basis, using a geographical information system.

Pupils who live furthest from their nearest alternative school

An alternative school is one at which a place might have been allocated as an alternative to the preferred school. Schools which allocate places solely on the basis of religious allegiance are not regarded as alternative schools. The nearest alternative school does not have to be one of the stated preferences.
