April -May 2024!

Welcome back! Our new unit of work is called
'Egg-Citing Changes!'.

We will be learning about animals, with some extra special fluffy animals joining us this term! This will link to all of our curriculum subjects (Literacy, Science & Art). Please look at our Termly Overview sheet for more details.

This Term we will also be going on a local walk around Standens Barn too, to support us with our Geography fieldwork.

We would like to welcome you into school for our Year 1 Extravaganza & to share your child's learning from this term on **Tuesday 14th May from 2:15-3:15**. The child will present some of their work in the hall and then you can come back to the classroom for a book look too.
