Tax-free childcare

We would also like to share with you information about the UK Government's Tax-Free Childcare scheme, and how it can help you cover the costs of our wrap around care provision.

What is Tax-Free Childcare?

Tax-Free Childcare is a government initiative designed to help working parents with the cost of childcare. For every £8 you pay into a dedicated online childcare account, the government adds £2—giving you a 25% top-up. You can receive up to:

- **£500 every three months** (£2,000 per year) per child
- **£1,000 every three months** (£4,000 per year) if your child has a disability

This support can be used to pay for approved childcare providers, including our own wraparound care at Standens Barn Primary.

To be eligible, you must be working (including self-employment) and earning at least the equivalent of 16 hours per week at minimum wage. You must also earn less than £100,000 per year per parent. You can find further information and apply online via the following link: <https://www.gov.uk/tax-free-childcare>

 **Do you want to know more or book a place?**

Please contact our school office for further details and to confirm our registration with the scheme.

We're here to support your childcare needs!
