

WOW!

This term, we have some exciting things planned, including our trip to Tudor world and creating Tudor pasties! Yum!

Term 1
Year 5

Our unit of learning this term is called:

The Tudors

Check out a sneak peak of our Tudor World trip!

Literacy

We are going to learn how to write a Biography about Henry VIII based on our knowledge of his life and playscripts based on William Shakespeare's A Midsummer Night's Dream,

Maths

We are going to learn about:

Place value — partitioning, comparing, ordering and rounding numbers to 1,000,000

Addition and subtraction — adding and subtracting numbers greater than 4 digits using rounding and inverse operations to check answers

History

We are going to learn all about Henry VIII, his early life, who his wives were and the influences they had over him, what his children were like and how they ruled the country as well as who the Tudors were and the differences between life then and now.

Science

We are going to learn about properties and changes of materials, what key vocabulary we need to know such as thermal conductors and insulators, what materials are soluble in water and how these properties affect the use of a material.

PSHE

We are going to learn about our protective behaviours such as what our safe spaces are, who our safe people are and recognize Early Warning Signs. We will also learn how to keep ourselves safe from things such as bullying and feeling pressure and how we can change these outcomes.

Once upon a time...

We are reading:
A Midsummer Night's Dream

Later this term, we will be reading William Shakespeare's famous play, 'A Midsummer Night's Dream'

PE

We are going to be learning about:

Gymnastics — balances using asymmetrical and symmetrical balances as well as jumps and rolls. We will also learn how to do a round off.

Tag Rugby — passes, tackles and throwing will be a focus, as well as team building exercises.

RE

We are going to learn what a worldview is and the difference between religious worldviews and non-religious worldviews. We will look at what our own worldviews are and how to express this creatively as well as showing respect and understanding for others views.

French

We are going to learn how to look at animals and recall which are masculine and feminine. We will also look at colours and how adjectives change to agree with that they describe as well as using the verb 'to have' and giving opinions on animals.

Design Technology

We are going to learn what foods were available during the Tudor times and how to be safe when chopping using the bridge and claw grip. We will also look at staying hygienic when cooking our Tudor pasty for the poor, before evaluating their own product.

Important dates!
