

Term 1 Year Six

Our unit of learning this term is called
The Vikings

Please scan the QR code if you'd like to complete a 'How to draw Graffiti' activity.

Literacy

We are going to learn how to write a non-chronological report about the Vikings, discovering fascinating facts about Viking life.

We will also explore our class novel, Viking Boy, and become budding authors as we retell its dramatic ending, creating an action-packed Viking

fight scene!

Maths

We are going to learn about place value and practise written methods for addition, subtraction, multiplication and division. We will use these skills to solve maths problems.

History

We are going to travel back in time to the age of Anglo-Saxons and Vikings! We will discover why they came to Britain, where they settled, how they lived and fought, and meet some famous kings along the way. We will also become history detectives, using different sources to uncover clues about the past.

Science

We are going to learn how our amazing bodies work! We will explore the heart and circulatory system and discover how food, exercise and healthy choices can affect our bodies.

PSHE

We are going to learn how to keep ourselves and others safe. We will explore staying safe online, making responsible choices, looking after our emotional wellbeing and understanding the risks linked to drugs and alcohol. We will also think about how growing independence brings greater responsibility.

Once upon a time

We are reading:
Viking Boy

PE

6F will develop their passing, movement, defending and teamwork skills through Tag Rugby and Handball.

6D will develop their Tag Rugby skills and teamwork. In swimming, they will improve their confidence, technique and water safety

Music

We are going to learn how to explore and compare different pieces of music! We'll listen carefully to instruments and musical features, perform together and have a go at composing and writing our own rhythms.

Computing

We are going to learn how the internet works! We'll discover how information travels online and explore the different ways we can communicate, share ideas and work together using technology.

Art/DT

In Art, we are going to become graffiti artists! We'll explore graffiti artwork before designing our eye-catching TAGs using bold lettering and creative backgrounds.

In DT, we're becoming chefs! We'll learn about healthy eating before designing and making delicious pizzas. Yum yum!

Dates to take note of:

21st September
Welcome to Year 6
Parents Meeting.

11- 13th November
Graham Residential
